Dear Dr. Gatalica:

Congratulations! HFAP's Survey Review Group has reviewed the survey report for your laboratory for the survey performed **December 15, 2020** and has granted Full Accreditation for two years. This decision was reached on **January 21, 2021**. This accreditation is valid **December 15, 2020** through **December 15, 2022**. This laboratory is accredited to perform the specialty/subspecialty listed on the next page.

HFAP congratulates you and your laboratory on the excellence in services provided but reminds you that accreditation is not a substitute for continuous monitoring by the laboratory and its personnel.

A certificate of accreditation will be mailed to you within a few weeks.

Sincerely,

A handwritten signature in black ink that reads "Meg Gravesmill". The signature is written in a cursive, flowing style.
